

The third International Conference
“Fundamental Aspects of Corrosion
Material Science and Protection of Metals
from Corrosion”
in memory of G.V. Akimov
Moscow, 18–20 April 2016

Dear colleagues,

The Organizing Committee of the III International Conference “Fundamental Aspects of Corrosion Material Science and Protection of Metals from Corrosion”, dedicated to the 115-th birth anniversary of G.V. Akimov, Corresponding member of the USSR Academy of Sciences, invites you and your colleagues to take part in the Conference to be held on April 18–20, 2016 in Moscow at A.N. Frumkin Institute of Physical Chemistry and Electrochemistry (Russian Academy of Sciences). The working languages are English and Russian.

The conference will be split into the following sections:

1. Corrosion of metals and alloys
2. Corrosion inhibitors
3. Metal and inorganic coatings
4. Paints and polymer coatings
5. Methods of corrosion studies and corrosion monitoring
6. Corrosion and protection of aircraft materials

Due to restricted time preparation period, the Conference Organizing Committee is asking you to send the application form and tentative title of the report to akimovgv115@gmail.com until 15 November 2015. The deadline for submission of abstracts for inclusion in the proceedings is February 1, 2016. Requirements for abstracts will be communicated later after receiving your application.

Hope to see you in Moscow!

Chairman of the Organizing committee, *Academician A.Yu.Tsivadze*

Vice-chairman, *Professor Yu.I. Kuznetsov*

Secretary, *Ph.D. N.A. Polyakov*
